No. 10. WHEREAS, for many years the wall on Hill Road between the Pittsburgh Zoo and Bunker Hill Road has been an eyesore to the Highland Park community and an embarrassment to the City because of excessive graffiti vandalism; and

WHEREAS, the media seems to focus on the problems of City youth, often portraying our young people as violent and destructive, while ignoring the majority of our youth who are good students and good family members and the many talented and creative young people who make positive contributions

to their communities and who represent our hopes and our future; and

WHEREAS Colleen Asper, Crystal Caskey, Salima Dawson, Jessica Dobrushin, Edward Drummond, Nicole Geary, Daryl Gray, Carolyn Keyes, Shannon Oliverio, Kalani Palmer, Marcello Perierra, Megan Renstrom, Ashly Sanford, Michael Schubert, Adrienne Swickline, Molly Zuckerman and Nicole Zugates are all talented and creative students who attend the Rogers School for the Creative and Performing Arts located in the Garfield community of the City of Pittsburgh; and

WHEREAS, the aforementioned students of the Rogers School for the Creative and Performing Arts labored tirelessly outdoors for three months in the cold, in rain, sleet, and snow under the able direction of teachers Pam Costanza and George Morris to create a work of art where once there had been ugly graffiti; and

WHEREAS, the fruit of the labors of the students from the Rogers School for the Creative and Performing Arts is a beautiful mural with a zoo animal theme; and

WHEREAS, completion of this massive creative project would not have been possible without the assistance of volunteers from the Highland Park Community Club who stood outdoors in the cold, rain, sleet and snow to direct traffic for the safety of the students; and

WHEREAS, as the result of

the selfless efforts of the Rogers School students, faculty and Highland Park Community Club volunteers the roadway to the Pittsburgh Zoo has been transformed into a thing of beauty instead of an eyesore.

County and the School District being each hereinafter referred to as a "Taxing Body" and collectively as the "Taxing Bodies"); and

WHEREAS, the Authority has received formal resolutions of approval and of participation in the TIF Project Plan from the City, the County and the School District, which are the only Taxing Bodies levying real property taxes within the TIF District; and

WHEREAS, after legal notice and public hearing as required by the TIF Law, the City Council of the City adopted Resolution No. 1279 effective on November 18, 1993, creating the Pittsburgh Technology Center Tax Incremental Financing District in the City's 4th Ward (the "TIF District") and adopting the TIF Project Plan; and

WHEREAS, the Authority and the Taxing Bodies have heretofore entered into a Tax Incremental Financing Agreement (the "TIF Agreement") pursuant to which the parties thereto have made certain agreements regarding the terms by which tax incremental revenues and funds shall be derived from real property located with the TIF District and the means of financing, monitoring and directing the implementation of the TIF Project Plan and providing for the appropriate termination of the TIF District; and

WHEREAS, the Authority has determined to issue its Guaranteed Tax Incremental Financing Bonds, Series of 1994 (the "Bonds"), in the aggregate principal amount not

WHEREAS, notice of the following Resolution has been duly advertised in accordance with Section 103 of the Pennsylvania Local Government Unit Debt Act ("Debt Act").

NOW, THEREFORE, BE, AND IT HEREBY IS ORDAINED AND ENACTED THAT:

Section 1. The indebtedness of the City be increased in the amount not to exceed \$5,510,000 ~~\$6,000,000~~ to be evidenced by a guaranty of the Authority's Bonds.

Section 2. The debt to be incurred is lease rental debt and is to be incurred to enable the Authority to

obtain financing for the Project. A realistic estimate of the costs of the Project has been obtained on behalf of the City by the Authority. The estimated useful life of the Project is at least 20 years.

Section 3. The City Council hereby directs that the necessary documentation be filed with the Department of Community Affairs of the Commonwealth of Pennsylvania (the "Department") so that the debt incurred hereunder may be approved as lease rental debt of the City. It is therefore hereby declared that the lease rental debt of the City to be incurred hereunder shall not exceed \$5,510,000 ~~\$6,000,000~~ which, together with all presently existing net debt of the City, will not be in excess of the limitations as set forth in the Debt Act. The Mayor, the Chief Clerk and the Finance Director of the City, or any other proper officers of the City, are hereby authorized and directed to prepare, verify and file the Debt Statement required by Section 410 of the Debt Act, together with the Borrowing Base Certificate and an application for approval of said indebtedness with the Department as promptly as practicable and to do and perform all other acts and sign all other documents necessary and proper in connection therewith. The City covenants that it will include the amount of each such payment in its budget for each year in which such amount is payable; that it will appropriate such amounts from its revenues for such payments and that it will duly and punctually pay such amounts or cause them to be paid on the dates and at the places and in the manner stated in the Guaranty according to the true intent and meaning thereof. In preparing and adopting its budget for any year, the City may, unless it has received notice of default under the Authority's Trust Indenture dated as of March 1, 1994 for the Bonds, treat as a revenue item an amount not in excess of the amount of its liability hereunder for such year which the authority estimates will be available to pay debt service on the Bonds in that year from other sources. Such amount may be on deposit with the

Trustee or estimated to be received during the year on or before the dates when payments of principal of or interest on the Bonds will be due. For such budgeting, appropriation and payment, the City hereby pledges its full faith, credit and taxing power.

Section 5. Upon receipt by the City of the approval of the Department to incur lease rental debt, the City shall enter into the Guaranty, substantially in the form presented to this meeting,

with such changes therein as shall be approved by the City Solicitor and the officers executing the Guaranty, such approval to be conclusively evidenced by such execution.

No. 60. WHEREAS, the tradition of the Passion Play, a dramatic re-creation of the passion and death of Jesus Christ, has been a teaching tradition in Christian societies for centuries; and,

WHEREAS, in 1910, Father Bernardine Dusch, C.P. and Father Conrad Eiben, C.P., two Priests of the Passionist Congregation serving as parish priests at St. Michael's Church on the South Side, wrote a Passion Play about the tradition of a pious woman, Veronica, who used her veil to wipe the sweat and blood from Christ's bruised face. The veil took the impression of Christ's face and later became a religious icon at St.

Peter's Cathedral in Rome; and,

WHEREAS, people from locations throughout the Tri-State area including Wheeling, Erie, Youngstown, Steubenville, Cleveland, and as far away as Philadelphia have traveled to Pittsburgh to view "Veronica's Veil"; and

WHEREAS, since the first performance of "Veronica's Veil" more than 3000 volunteer players together with directors, stage hands, costume staff, reception committee, parking staff, usherettes, utility workers, food preparers, public relations staff, and office staff have presented this play to over one million people of all religious beliefs. Many of the workers carry the tradition into the second and third generation; and,

WHEREAS, 1994 marks the 75th Anniversary of the first performance of "Veronica's Veil".

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Pittsburgh hereby recognizes the Passion Play "Veronica's Veil" on its Diamond Anniversary and commends the Prince of Peace Parish of the Diocese of Pittsburgh for continuing this seventy-five year tradition.

No. 61. WHEREAS, many long-time property owners in

the City of Pittsburgh have recently suffered dramatic increases in their real estate tax obligations due to increased property assessments; and,

WHEREAS, the Commonwealth of Pennsylvania has enacted Act 146 of 1988, known as the Gentrification Law, which permits local political subdivisions to protect long-time resident-owners from increased assessments due to changes in the neighborhoods where the long-standing owners reside; and,

WHEREAS, Act 146 caps the allowable increase in annual assessment of home owners who have owned their homes for ten years or more at not more than 5% per year; and,

WHEREAS, in 1991, the County of Allegheny created a process for tax assessment limitation due to gentrification which has provided relief to hundreds of residents in the City of Pittsburgh; and,

WHEREAS, after approving the Gentrification Ordinance of 1993, the City of Pittsburgh has begun a similar process to provide a limitation on assessments for long-time owner-residents; and,

WHEREAS, in approving tax exemptions to 10-year plus owners, the City eschewed the option to grant tax deferrals, citing the stunting effect on future property values, sales and development; and,

WHEREAS, despite the scarcity of public resources, the revenue loss to the City

of Pittsburgh due to the gentrification cap is less than \$20,000 per year or about one twentieth of one percent of the annual City budget; and,

WHEREAS, the School District of the City of Pittsburgh is the only taxing body in Pittsburgh which does not yet grant similar gentrification relief to long-time resident-owners; and,

WHEREAS, even after the recent 28% increase in property tax rates, the revenue loss to the School District from an assessment cap program identical to the City of Pittsburgh and the County of Allegheny would be approximately \$17,000 annually.

NOW, THEREFORE, BE IT RESOLVED THAT the Council of the City of Pittsburgh strongly urges the School District of the City of Pittsburgh to immediately adopt a Gentrification Program for the year 1994 in accordance with the provisions of Act 146 of 1988.

350,000 jobs in Pennsylvania could be lost under NAFTA; and

WHEREAS, that City Council resolution specifically noted that NAFTA contains no effective means to protect workers' rights to organize and bargain collectively, does not provide effective enforcement provisions for other labor laws, and that weak, ineffective environmental laws in Mexico and the lack of enforcement may be further incentives for U.S. industries to relocate to Mexico; and

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That certain portions of Resolution No. 1455 effective January 1, 1994, entitled "Adopting and approving the 1994 Capital Budget and the 1994 Community Development Block Grant Program, and approving the 1994 through 1999 Capital Improvement Program," is hereby amended as follows:

Capital Budget Amendments

Project Number	Project	Comments
Bond Funded Amendments		
529	Stadium Improvements	1994 Budget shows a total authorization of \$1.2 million. This needs to be increased to \$1.82 million in 1994 due to the capital repairs needed in preparation for the All Star game. The change was made to delete this amount in the operating budget but was mistakenly not included in the capital budget.
CDBG Amendments		
353	URA Administration	In December, Council transferred \$266,514 from this account to fund the Economic Development staff in the Mayor's Office. Due to the nature of CDBG eligible activities, the City is now proposing to fund URA for the full \$3,040,000 in CDBG funds, and use the \$300,000 in URA general fund/operating support to fund extra staff needed in the Mayor's Office.
670	Industrial/Commercial Buildings & Site acquisition, analysis, and improvements	The 1994 adopted budget shows \$300,000 in CDBG funds authorized for 1994. There should not be any CDBG funds budgeted for this program in 1994. These funds were previously transferred to the Federal/North project to allow for the local match for State funding.
348	Support for Housing Development	1994 CDBG funding for this program should total \$1,574,000 not \$1,547,000
Allocating an Additional \$219,000 in CDBG funds		
668	Summer Youth Employment Program	The 1994 Budget included \$485,000 in CDBG funds, of which \$185,000 is earmarked for indirect costs associated with this program. The City is proposing to add an additional \$119,000 to this program in 1994.
934	Neighborhood Liaison/Planner Positions	\$100,000 of the 1994 CDBG budget will be added to the Planning Department to fund the staff costs of two of the four community outreach specialists hired for these positions. 03-35-01-8444-94

No. 184. Whereas, the Occupational Safety and Health Act (OSHA) embodies one of our nation's most important basic rights, the right of workers to a safe and healthy workplace; and

Whereas, despite the enactment of OSHA over twenty years ago, workers throughout the country continue to toil in unsafe working conditions, forced to risk their lives and limbs to earn a days pay; and

Whereas, 40 workers are killed on the job by safety hazards every day, 10,000 are killed every year, 6.6 million workers are injured on the job each year and 60,000 receive permanently disabling work injuries each year; and

Whereas, catastrophic workplace tragedies continue to occur such as the fire that killed 25 workers behind locked doors in Hamlet, North Carolina, the explosion that killed 23 workers at Phillips Petroleum in Pasadena, Texas and the building collapse that killed 28 construction workers in Bridgeport Connecticut; and

Whereas, meaningful OSHA reform legislation has been introduced in both the House and Senate in the form of H.R. 1280 and S. 575, which would: extend OSHA's coverage to state and local public employees, incorporate the right to refuse unsafe work into law, protect workers from retaliation for exercising their health and safety rights, addresses the special hazards of the construction industry, and

strengthen standards and enforcement under OSHA.

Now, therefore, be it resolved that the Council of the City of Pittsburgh hereby joins the Coalition for Safe Jobs and the Service Employees International Union in endorsing the Comprehensive Occupational Safety and Health Reform Act (S. 575, H.R. 1280) and urges its prompt passage; and

Be it further resolved by the Council of the City of Pittsburgh that the City Clerk is hereby directed to transmit copies of this Resolution to Senators Wofford and Specter and Congressmen Coyne, Santorum, Klink and Murphy.

SECTION 2. Any Resolution or Ordinance or part thereof, conflicting with the provisions of this Resolution is hereby repealed so far as the same effects this Resolution.

Passed April 12, 1994.

Approved April 14, 1994.

No. 246. RESOLUTION authorizing and directing the Solicitor and Chief of Police in consultation with City Council to convene a Community and Law Enforcement Conference on the issue of gang violence in the City of Pittsburgh.

Whereas, scores of gang related homicides have been committed in the City of Pittsburgh in recent years; and

Whereas, many City neighborhoods have become the stalking grounds for gangs of violent youths who have no respect for human life, their families or themselves; and

Whereas, many City residents are afraid to leave their houses, both day and night, out of justified fear of gun toting youths; and

Whereas, innocent bystanders have been murdered by youths who value only money, weapons and strength; and

Whereas, neighborhood revitalization cannot occur where street gangs rule and the atmosphere of violence in certain neighborhoods taints our entire City.

Whereas, unabated gang violence and shootings have had a detrimental impact on the commerce of our City and its neighborhoods and have particularly victimized African-American residents and communities; and

Whereas, the City of Pittsburgh is committed to providing meaningful economic opportunity for all our youth, to providing education, retraining, and counseling to youthful offenders and to fostering dialogue and discussion to prevent needless violence.

Now therefore, be it resolved by the Council of the City of Pittsburgh as follows:

SECTION 1. The Solicitor, City of Pittsburgh, and the Chief, Bureau of Police, are hereby authorized and directed to convene a Community and Law Enforcement Conference in consultation with City Council to explore legal prosecutorial, community and police efforts to better investigate, identify, apprehend and prosecute gang members and gang activity in the City of Pittsburgh.

SECTION 2. The Solicitor, City of Pittsburgh, and the Chief, Bureau of Police, are hereby authorized and directed to invite and solicit the participation of the U.S. Attorney, the Allegheny County District Attorney and the leaders of interested community organizations in the Community and Law Enforcement Conference.

SECTION 3. The Clerk,

City of Pittsburgh, is hereby authorized and directed to forward a communication to the Mayor, City of Pittsburgh, requesting a formal response on the need to commit additional police personnel to the gang suppression unit.

SECTION 4. Any Resolution or Ordinance or part thereof, conflicting with the provisions of this Resolution is hereby repealed so far as the same effects this Resolution.

New Taxes, Reserve Requirements. If any law or regulation, or the interpretation or application thereof by any court or by any governmental authority charged with the administration thereof, or the compliance with any guideline or request from any governmental authority (whether or not having the force of law) shall: (i) subject the Registered Owner to payment of any tax in respect of, or changes the basis of taxation with respect to, payments by the City of principal, interest or other amounts due from the City on this Series of 1994 Note (except for taxes on the overall net income of the Registered Owner); (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of, or loans by, the Registered Owner; or (iii) impose upon the Registered Owner any other condition with respect to this Series of 1994 Note or its purchase or funding of any part of this Series of 1994 Note; and the result of any of the foregoing is to increase the cost to the Registered Owner, reduce the income receivable by the Registered Owner or impose any expense upon the Registered Owner with respect to any part of this Series of 1994 Note by an amount which the Registered Owner deems to be material, the Registered Owner may from time to time notify the City of the amount determined in good faith by the Registered Owner (which determination shall be conclusive absent demonstrable error) to be necessary to compensate the Registered Owner for such increase in cost, reduction in income or additional expense. The City shall pay such amount to the Registered Owner within ten (10) Business Days after the City's receipt of such notice.

(d)

Tax Gross-up; Acceleration. If at any time, either before or after the payment of the entire principal of and interest on this Series of 1994 Note, there should be a Final Determination (as hereinafter defined) that the interest on this Series of 1994 Note is includable in the gross income of the Registered Owner for any reason under the provisions of the Internal Revenue Code of 1986, as amended, and the regulations thereunder as then in effect, then the Registered Owner may declare the entire unpaid principal amount of this Note and accrued interest thereon immediately due and payable or, at the option of the Registered Owner, the rate of interest on this Note shall be adjusted upward to a fluctuating rate per annum (computed on the basis of a year of 365 days for actual number of days elapsed) (the "Alternate Rate") which shall be equal at all times to the Prime Rate (as hereinafter defined), such interest rate to be adjusted daily with such adjustment to be effective on the date of such change in the Prime Rate. Within ten (10) days after notice of such Final Determination to the City, any additional interest due on account of the unpaid principal balance

from time to time outstanding prior to such Final Determination calculated at the Alternate Rate and an amount equal to all interest and penalties payable by the Registered Owner by reason of having excluded any such interest from its gross income shall be paid to the Registered Owner hereof by the City, and all installments due thereafter, if any, shall be increased so as to include interest at the Alternate Rate. The obligation of the City to make such payments shall survive the payment and satisfaction of this Note.

The Registered Owner shall have no obligation to contest or appeal any assertion or decision that interest on this Series of 1994 Note is taxable, but the Registered Owner shall give to the City written notice of any such assertion or decision that interest on this Series of 1994 Note is taxable, and upon request by the City, the Registered Owner shall prosecute any administrative remedies or judicial proceedings available to the Registered Owner, provided that such action shall be at City's expense.

(e)

Maximum Rate of Interest; Interest Rate Set by Law. In no event shall the rates of interest provided in subsections (a), (b), (c) or (d) above exceed twelve percent (12%) per annum. In the event the rates of interest provided for in subsections (a), (b), (c) or (d) above are finally determined by any official body to exceed the maximum rate of interest permitted by any applicable usury or similar laws, their or its application shall be suspended and there shall be charged instead the maximum rate of interest permitted by such laws. If any payment of interest or in the nature of interest would cause the foregoing interest rate limitation to be exceeded, then such excess payment will be credited as a payment of principal, unless the City notifies the Registered Owner in writing to return the excess payment to the City.

The principal of and interest on this Series of 1994 Note are payable in immediately available funds of the United States of America, at the office of the Paying Agent.

THE TERMS AND PROVISIONS OF THIS SERIES OF 1994 NOTE ARE CONTINUED ON THE FOLLOWING PAGES HEREOF AND SUCH TERMS AND PROVISIONS SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS THOUGH FULLY SET FORTH ON THE FACT HEREOF.

Mayor

COUNTERSIGNED:

-261-

This Series of 1994 Note is one of a duly authorized issue of \$15,000,000, aggregate principal amount, General Obligation Notes, Series of 1994 (the "Series of 1994 Notes") of the City which have been issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as amended (the "Debt Act"), without the assent of the electors, pursuant to a resolution (the "Resolution") of the City Council of the City adopted on April 19, 1994. The Series of 1994 Notes have been issued for the purpose of obtaining funds to pay the costs of a capital project.

Optional Redemption. This Series of 1994 Note is subject to optional redemption prior to maturity at any time, in whole or in part, at a redemption price equal to one hundred percent (100%) of the aggregate principal amount thereof and unpaid accrued interest plus a Prepayment Premium, if applicable (the "Redemption Price"). If less than all Series of 1994 Notes are to be redeemed at any time, the Series of 1994 Notes to be called for redemption at such time shall be pro rata.

Prepayment Premium. In the event that the Series of 1994 Note is paid, prepaid or redeemed for any reason or the interest rate is converted from the Libor Rate to any other rate for any reason on any date other than the last day of the applicable Libor Rate Interest Period, the City shall pay to each Bank on demand a Prepayment Premium; provided, however, such Prepayment Premium is hereby waived for the first such payment, prepayment, redemption or conversion. For purposes hereof, the "Prepayment Premium" means an amount equal to the present value, if positive, of the product of (a) the difference between (i) the yield, on the beginning date of the Libor Rate Interest Period, of a U.S. Treasury obligation with a maturity similar to the Libor Rate Interest Period minus (ii) the yield on the prepayment date, of a U.S. Treasury obligation with a maturity similar to the remaining maturity of the Libor Rate Interest Period, and (b) the principal amount to be prepaid, and (c) the number of years, including fractional years, from the prepayment date to the end of the Libor Rate Interest Period. The yield on any U.S. Treasury obligation shall be determined by reference to Federal Reserve Statistical Release II.15(519) "Selected Interest Rates". For purposes of making present value calculations, the yield to maturity of a similar maturity U.S. Treasury obligation on the prepayment date shall be deemed the discount rate.

Notice of any redemption shall be given by telefax and confirmed by mailing a notice of redemption by first class mail, postage prepaid, not less than fifteen (15) days prior to the

redemption date to the Registered Owners of Series of 1994 Notes to be redeemed at the addresses which appear in the Note Register, provided, however, neither failure to telefax or mail such notice nor any defect in the notice so telefaxed or mailed or in the mailing thereof with respect to any one Series of 1994 Note shall affect the validity of the proceedings for the redemption of any other Series of 1994 Note; provided further, however, if at the time of giving of such notice of redemption there shall not have been deposited with the Sinking Fund Depositary moneys sufficient to redeem all Series of 1994 Notes or portions thereof called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Sinking Fund Depositary not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited. If the City shall have duly given notice of redemption and shall have deposited with the Sinking Fund Depositary funds for the payment of the Redemption Price of the Series of 1994 Notes so called for redemption, interest on such Series 1994 Notes shall cease to accrue after such redemption date.

A portion of a Series of 1994 Notes of a denomination larger than \$1,000,000 or integral multiples thereof may be redeemed, and in such case, upon the surrender of such Series of 1994 Notes, there shall be issued to the Registered Owner thereof, without charge therefor, a Series of 1994 Note for the unredeemed balance of the principal amount of such Series of 1994 Notes, all as more fully set forth in the Resolution.

This Series of 1994 Note may be transferred or exchanged only on the Note Register (the "Note Register") maintained by the City at the office of the Registrar upon surrender hereof by the Registered Owner at the office of the Paying Agent duly endorsed by, or accompanied by a written instrument of transfer duly executed by, the Registered Owner or his duly authorized agent or legal representative, in each case, in form and with a guaranty of signature satisfactory to the Paying Agent.

The City shall not be required to register the transfer or exchange of any Series of 1994 Note: (a) during the period of fifteen (15) business days before any date of selection of Series of 1994 Notes to be redeemed; or (b) after such Series of 1994 Note has been selected for redemption.

Subject to the provisions of this Series of 1994 Note and of the Resolution relating to payment of interest, the City and the Paying Agent may treat the Registered Owner of this Series of 1994 Note as the absolute owner hereof, for all purposes, whether or not

this Series of 1994 Note shall be overdue, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Series of 1994 Note, or for any claim based hereon or on the Resolution against any elected or appointed official, member, officer or employee, past, present or future, of the City or of any successor body, as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the issuance of this Series of 1994 Note.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the City to issue and deliver this Series of 1994 Note has been duly given pursuant to the Debt Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Series of 1994 Note or in the creation of the debt of which this Series of 1994 Note is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Series of 1994 Note, together with all other indebtedness of the City is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania and applicable to the City; and that the City has established with the Sinking Fund Depositary a sinking fund for the Series of 1994 Notes and has agreed to deposit therein amounts sufficient to pay the principal of and interest on the Series of 1994 Notes as the same shall become due and payable.

This Series of 1994 Note is hereby declared to be a general obligation of the City. The City, in the Resolution authorizing the issuance of the Series of 1994 Notes, has covenanted with the Registered Owners, from time to time, of the Series of 1994 Notes that the City will include the amount of the debt service charges on the Series of 1994 Notes for the fiscal year in which such sums are payable, in its budget for that year, that it will appropriate such amounts to the payment of such debt service, and will duly and punctually pay or cause to be paid the principal of every Series of 1994 Notes, and the interest thereon, on the dates and at the places and in the manner stated in the Series of 1994 Notes, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City has pledged its full faith, credit and taxing power. No. 330. RESOLUTION PROVIDING for a contract or contracts, or the use of existing contracts for the purchase and delivery of new computer equipment needed to replace aging and inadequate existing SPOC equipment purchased in 1987 and 1988. The computer equipment is needed to manage and analyze increasingly larger volumes of SPOC information on a timely basis, which requires current generation hardware that is capable of providing the additional processing speed and storage capacity that the existing equipment lacks. The total of the contracts will not exceed ninety three thousand nine hundred eighty five (\$93,985.00) dollars.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Director of the Department of Personnel and Civil Commission, is hereby authorized to evaluate proposals, award, and enter into a contract or contracts, or use of existing contracts for the purchase and delivery of new computer equipment which is needed to replace aging and inadequate existing SPOC equipment purchased in 1987 and 1988. The inherent tendency of this hardware to malfunction at an increasing rate as it ages makes it an unreliable basis for

supporting SPOC programmatic and informational reporting needs. The architectural design of this generation of equipment also prevents it from running faster and more powerful software. Additionally, the need to manage and analyze increasingly larger volumes of SPOC information on a timely basis requires current generation hardware that is capable of providing the additional processing speed and storage capacity that the existing equipment lacks. The computer requested items include a central, shared host (server) computer that will act as the hub of the new SPOC system, PC workstations and printers that will be located both in this division and in remote SPOC offices to capture and analyze SPOC-related information, and the software needed to perform data entry, management, and analysis tasks.

The total of the contracts for the Department of Personnel and Civil Service Commission, Employment and Training Grant Administration, will not exceed ninety three thousand nine hundred eighty five (\$93,985.00) dollars chargeable to and payable from the JTPA-1 code account, index code 260307.

SECTION 2. Any Resolution or Ordinance or part thereof, conflicting with the provisions of this Resolution is hereby repealed so far as the same effects this Resolution.

Passed May 9, 1994.

No. 441. RESOLUTION approving a conditional use exception under Section 993.01(a)A(54) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter 993, to the Stadium Authority for authorization to construct a new electronic message sign of 1200 sq. ft. on the roof of the Three Rivers Stadium above Gate "C" on property zoned "C6-B" Downtown Riverfront District B, 22nd Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the conditional use application for the proposed electronic message sign located on the roof of the Three Rivers Stadium;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended approval of this application for conditional use; and

WHEREAS, City Council has reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Pittsburgh as follows:

Section 1. Upon a review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed electronic message sign located above Gate "C" on the roof of the Three Rivers Stadium has properly met the Standards as provided in the Pittsburgh Code, Section 993.01(a)(D), and none of the following findings was made:

- A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and
- B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and
- C. That the establishment of the proposed use will impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and

- D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and
- E. That adequate measures have not been or will not be taken to provide ingress and egress designated so as to minimize traffic congestion in the public streets; and
- F. That the proposed use will not, in all other respects, conform to the applicable regulations of the district in which it is located.

Section 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

- A. The establishment, maintenance, location and operation of the proposed use will not be detrimental or endanger public health, safety, comfort or general welfare. The proposed sign is on a portion of the building currently used for similar purposes and is of a scale and size that is consistent with the surrounding environment.
- B. The proposed facility will not be injurious to the use and enjoyment of property in the immediate vicinity. The design of the new structure is such that it will not impact views or the enjoyment of residential property and because of the location

facing a major highway will not impact commercial or institutional properties in the area.

- C. The proposal will not affect the orderly development of the surrounding property. The sign structure is proposed to replace the existing roof sign and will be designed to compliment the architectural features of the stadium.
- D. Electric service is the only utility pertinent to this project. There is no capacity problem with electric service at this location.
- E. Vehicular egress and ingress for this project is not a concern. Any additional traffic which may be created by the sign attracting additional patrons is very small relative to the amount of traffic and the capacity of the road system in that area.
- F. In all other respects, the proposed facility does conform to all other applicable regulations of the C6-B district which permits the electronic message sign as a Conditional use.

Section 3. Under the provisions of Section 993.01(a)A(54) of the Pittsburgh Code, approval is hereby granted to the Stadium Authority for authorization to construct a new electronic message sign of 1200 sq. ft. located above Gate "C" on the

roof of the Three Rivers Stadium on property zoned "C6-B" Downtown Riverfront District B, 22nd Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 638 and accompanying drawings filed by L.D. Astorino Architects, dated March 14, 1994 and numbered A102 and A103, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated in the record by reference thereto, and subject to the following condition: That the final sign and design, including final materials and colors, be approved by the Art Commission prior to the receipt of a building permit.

Recorded August 2, 1994.

No. 556. RESOLUTION approving a conditional use exception under Section 993.01(a)A(33) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter 993, to the National Council of Senior Citizens/USA Housing Development Corporation for authorization to construct a four-story structure with 42 units of housing for the elderly and 1 unit for a resident manager at 3710 Brighton Road with parking to accommodate 13 automobiles on property zoned "RP" Residential Planned Unit Development District, 27th Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the

conditional use application for the proposed housing for the elderly development located at 3710 Brighton Road;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended approval of this application for conditional use; and

WHEREAS, City Council has reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Pittsburgh as follows:

SECTION 1. Upon a review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed housing for the elderly development located at 3710 Brighton Road has properly met the Standards as provided in the Pittsburgh Code, Section 993.01(a)(D), and none of the following findings was made:

A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and

B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and

C. That the establishment of the proposed use will impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and

D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and

E. That adequate measures have not been or will not be taken to provide ingress and egress designated so as to minimize traffic congestion in the public streets; and

F. That the proposed use will not, in all other respects, conform to the applicable regulations of the district in which it is located.

SECTION 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

A. The proposal is reasonable in both size and design and will compliment the surrounding residential and commercial environment. Vehicular and pedestrian traffic will be easily accommodated from Goe Avenue, with service traffic to access from Brighton Road.

B. The proposed use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor will it substantially diminish or impair property values within the neighborhood. The height and setbacks of the proposed apartment building will not

interfere with views to or from other properties in the neighborhood and will not adversely affect access to or any other attributes of properties within the neighborhood. Although not a necessity, Goe Avenue and Parviss Street may be widened to accommodate additional on-street parking for general public use.

C. The establishment of the proposed use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in those districts. The property is bounded on three sides by public streets and the proposed building will be on a relatively large site and will not affect the development potential of any other property.

D. Adequate utilities, access roads, drainage, and other necessary facilities are available at the site. The proposed use will not affect smaller streets since service access to and from the property will be limited to Brighton Road, and past experience with elderly housing projects demonstrates little new traffic impacts or other burdens on neighborhood facilities.

E. Adequate measures will be taken to provide ingress and egress so as to minimize traffic congestion in the public streets. Ingress and egress will be over Goe Street, 100 feet from Brighton Road, a major through street, so that there will be no traffic congestion created.

F. The proposed use complies with the general requirements of the conditional use exception for a new structure designed as housing for the elderly.

SECTION 3. To further ensure that the proposed housing for the elderly development located at 3710 Brighton Road properly meets the standards in the Pittsburgh Code, Section 993.01 (a)(D) the following conditions are adopted:

A. "Red" brick shall be used on the exterior of the building. The exterior shall include all four sides of the structure from top to bottom. Exposed concrete block, stained or otherwise shall not be part of the exterior of the structure.

B. The two-story carriage house situated on the corner of the 3710 Brighton Road lot, shall be demolished.

C. The landscaping plan shall include trees and shrubbery on all four sides of the 3710 Brighton Road lot.

D. The plan to complete the above items A through C in Section 3, shall be presented to the Board of the Urban Redevelopment Authority of Pittsburgh for approval

SECTION 4. Under the provisions of Section 993.01(a)A(33) of the Pittsburgh Code, approval is hereby granted to the National Council of Senior Citizens/USA Housing Development Corporation for authorization to construct a four-story structure located at 3710 Brighton Road with

42 dwelling units for the elderly and 1 unit for a resident manager with parking to accommodate at least 13 automobiles on property zoned "RP" Residential Planned Unit Development District, 27th Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 637, items A through D in Section 3, above, and RP Application No. 89 and accompanying Preliminary Development Plan filed by Arthur Lubetz Associates, dated January 10, 1994, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated in the record by reference thereto. Any previous plan on file in the Office of the Zoning Administrator, Department of City Planning shall be amended to include items A through D in Section 3, above.

SECTION 5. Any Resolution or Ordinance or part thereof, conflicting with the provisions of this Resolution is hereby repealed so far as the same effects this Resolution.

Passed August 3, 1994.

The Sinking Fund Depositary is liable only for those damages caused by its gross negligence or willful misconduct. The City may, by Resolution, from time to time appoint a successor Paying Agent, Sinking Fund Depositary or Registrar to fill a vacancy or for any other reason.

SECTION 6. Form of Bond, Interest Payment Dates and Record Dates.

(a) General. (i) The Bonds shall be substantially in the form contained in Section 23 hereof. The Bonds shall be issued

in fully registered form without coupons and shall be numbered in such manner as may be satisfactory to the City and the Paying Agent. Pursuant to recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the Bonds. Each Bond shall be dated as of the date of its authentication. If the book-entry system for registration of the ownership of Bonds is discontinued, the Bonds shall be issued in denominations of \$5,000 or any whole multiple thereof.

(ii) The Bonds shall bear interest payable initially on March 1, 1995, and on each March 1 and September 1 (each, an "Interest Payment Date") thereafter, from the most recent Interest Payment Date to which interest has been paid or provided.

(iii) Any Registered Owner of at least \$1,000,000 principal amount of the Bonds may, by written request to the Paying Agent at least five (5) days before the first payment date for which such request is made, request that interest or principal be paid by wire transfer to such account as may be specified in such written request.

(b) Record Date. The term "Regular Record Date" with respect to any Interest Payment Date shall mean the February 15 or August 15 immediately preceding such Interest Payment Date. The person in whose name any Bond is registered at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date, except if and to the extent that the City defaults in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the persons in whose names outstanding Bonds are registered at the close of business on a Special Record Date established by the Paying Agent, notice of which shall have been mailed to all Registered Owners of Bonds not less than ten (10) days prior to such date.

(c) Full Book Entry System.

(i) The Bonds shall be issued in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company, New York, New York ("DTC"). Except as provided in paragraph (vii) below, all of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the City or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portions of the Bonds on the Bond Register (as such term is defined in Section 7 hereof), in connection with discontinuing the book entry system as provided in paragraph (vii) below or otherwise.

(ii) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Resolution. Each such payment to DTC or its nominee shall be valid and effective to discharge fully all liability of the City or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(iii) The City and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the City nor the Paying Agent shall be affected by any notice to the contrary. Neither the City nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a Registered Owner, with respect to either: (1) the Bonds; or (2) the accuracy of any records maintained by DTC or any such participant; or (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Resolution; or (5) the selection by DTC or any such participant or any person to receive payment in the event of a partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

(iv) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Resolution shall be given to DTC as provided in the representation letter to be delivered to DTC, in form and content satisfactory to DTC and the City, which the Director of Finance is hereby authorized to execute.

(v) In connection with any notice or other communication to be provided to Registered Owners pursuant to this Resolution by the City or the Paying Agent with respect to any consent or other action to be taken by Registered Owners, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the City or the Paying Agent may establish a special record date for such consent or other action. The City or the Paying Agent shall give DTC notice of such special record date not less than fifteen (15) calendar days in advance of such special record date to the extent possible.

(vi) Any successor Paying Agent shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the representation letter, if any.

(vii) The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the City and the Paying Agent, DTC determines to resign as securities depository for the Bonds; or (2) after notice to DTC and the Paying Agent, the City determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the City. In either of such events (unless in the case described in clause (2) above, the City appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the City or the Paying Agent for the accuracy of such designation. Whenever DTC requests the City and the Paying Agent to do so, the City and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

SECTION 7. Bond Register, Registration and Transfer.

The City shall cause to be kept at the principal corporate trust office of the Paying Agent a register (the "Bond Register") in which, subject to such reasonable regulations as it may prescribe, the City shall provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfers or exchanges of any Bond shall be valid unless made at such office and registered in the Bond Register.

Upon surrender of any Bond for registration of transfer, the City shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same interest rate and maturity, and in the same aggregate principal amount as the Bond so surrendered.

Any Bond shall be exchangeable for other Bonds of the same maturity and interest rate in any authorized denomination, in an aggregate principal amount equal to the principal amount of the Bond or Bonds presented for exchange. Upon surrender of any Bond for exchange, the City shall execute and the Paying Agent shall authenticate and deliver in exchange therefor the Bond or Bonds which the owner making the exchange shall be entitled to receive.

Each Bond issued upon any registration of transfer or exchange shall be a valid obligation of the City, evidencing the same debt and entitled to the same benefits under this Resolution as the Bond surrendered for such registration of transfer or exchange.

Every Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the City and the Registrar, duly executed by the Registered Owner thereof or his duly authorized agent or legal representative.

No service charge shall be made for any transfer or exchange of any Bond, but the City may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The City shall not be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

SECTION 8. Execution and Authentication.

The Bonds shall be executed on behalf of the City by the Mayor, and shall have the corporate seal of the City or a facsimile thereof affixed thereto, duly attested by the Director of Finance and countersigned by the City Controller and said officers are hereby authorized and directed to execute the Bonds. The Bonds shall be authenticated by the manual execution of the Certificate of Authentication by the Paying Agent or by a duly authorized signatory of the Paying Agent. No Bond shall be valid until such Certificate of Authentication shall have been duly executed and such authentication shall be conclusive and the only proof that any Bond has been issued pursuant to this Resolution and is entitled to any benefits conferred thereon under the provisions of this Resolution. To the extent that any one signature on a Bond (including the signature of the Paying Agent) is manual, all other signatures may be by facsimile. The Paying Agent is hereby authorized and directed to deliver the Bonds to the Purchaser and receive payment therefor on behalf of the City after sale of the same in the manner required by law and this Resolution.

SECTION 9. General Obligation Covenant.

The Bonds are hereby declared to be general obligations of the City. The City hereby covenants with the Registered Owners from time to time of the Bonds outstanding pursuant to this Resolution that it will include the amount of the debt service as specified in this Section on the Bonds for each fiscal year in which such sums are payable, in its budget for that year, will appropriate such amounts for such payments and will duly and punctually pay or

cause to be paid the principal of the Bonds and the interest thereon on the dates, at the places and in the manner stated therein, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City does hereby pledge its full faith, credit and taxing power. The amount of the debt service which the City hereby covenants to pay on the Bonds in each year is shown on Schedule B which is attached hereto and incorporated herein by reference as if set out here at length.

As provided in the Debt Act, the foregoing covenants are specifically enforceable.

SECTION 10. Redemption.

(a) Optional. The Bonds maturing on and after September 1, 2005 shall be subject to redemption prior to maturity at the option of the City, in whole or in part, in such order of maturity as is selected by the City, and within maturity by lot, on September 1, 2004, or on any date thereafter, at the redemption price set forth in the table below:

Any such redemption shall be upon payment of the principal amount thereof, together with accrued interest to the date fixed for redemption.

(b) Notice. Notice of any redemption shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register, provided, however, that neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond; provided further, however, if at the time of giving of such notice of redemption there shall not have been deposited with the Sinking Fund Depository moneys sufficient to redeem all Bonds or portions thereof called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Sinking Fund Depository not later than the open of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited. If the City shall have duly given notice of redemption and shall have deposited with the Sinking Fund Depository funds for the payment of the redemption price of the Bonds so called for redemption, with accrued interest thereon to the date fixed for redemption, interest on such Bonds shall cease to accrue after such redemption date.

(c) CUSIP Numbers. Notices of redemption shall contain the applicable

CUSIP numbers pertaining to the Bonds called for redemption (if then generally in use), and shall also contain the serial identification numbers printed on the Bonds.

(d) Selection by Lot. If less than all Bonds maturing on any one date are to be redeemed at any time, the Paying Agent shall select by lot the Bonds to be redeemed at such time.

(e) Portions of Bonds. Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 and shall treat each portion as a separate Bond in the denomination of \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Paying Agent shall authenticate and deliver to the Registered Owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the Registered Owner in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

SECTION 11. Sinking Fund.

(a) Deposit. There is hereby established a sinking fund to be known as "City of Pittsburgh, Pennsylvania Series of 1994A Bonds Sinking Fund" (the "Series of 1994A Bonds Sinking Fund") into which the City covenants to deposit, and into which the Treasurer is hereby authorized and directed to deposit (i) on or before March 1, 1995 and on or before each Interest Payment Date thereafter to and including the last date shown on Schedule B, amounts sufficient to pay the interest due on such dates on the Bonds then outstanding, and (ii) on or before September 1, 1995, and on or before each September 1 thereafter to and including the final maturity date shown on Schedule B, amounts sufficient to pay the principal of the Bonds due on each such date at maturity. Should the amounts covenanted to be paid into the Series of 1994A Bonds Sinking Fund be, at any time, in excess of the net amounts required at such time for the payment of interest and principal, whether by reason of funds already on deposit in the Series of 1994A Bonds Sinking Fund or by reason of the purchase or redemption of Bonds, or for some similar reason, the amounts covenanted to be paid may be reduced to the extent of such excess.

(b) Credit for Bonds Delivered. The City may satisfy any part of its obligations with respect to clause (a)(ii) by delivering to the Sinking Fund Depository, for cancellation, Bonds maturing on the date on which such deposit is required. The City shall receive credit against such deposit for the face amount of the Bonds so delivered,

provided that such Bonds are delivered to and received by the Sinking Fund Depositary on or before the maturity date of the Bonds for which credit is requested, in the case of a deposit required for the payment of Bonds at maturity.

SECTION 12. Project Account.

(a) Mellon Bank, N.A. is hereby designated as a depositary for the funds of the City and is authorized to accept for deposit in an account known as the "City of Pittsburgh Project Fund" (the "Project Fund") in the name of the City, subject to clearance or collection, moneys, checks, drafts, notes, bills of exchange, acceptances, or other orders for the payment of moneys which may at any time come into its possession, with or without endorsement thereof by the City, payment thereof to the depositary being hereby guaranteed. The depositary hereinabove designated is authorized and directed to honor and pay, and to charge to the account of the City, all checks, drafts, bills or exchanges, acceptances, notes or orders for the payment of money when drawn on or addressed to said depositary and signed and countersigned on behalf of the City by either the City Controller or the Deputy Controller and either the City Director of Finance or the City Treasurer whether the same be payable to the order of, or in favor of the officer or person signing or countersigning them, or to any of said officers in his individual capacity, or otherwise; and whether the same be deposited to the individual credit of the officer or person signing or countersigning them, or to any of said officers in his individual capacity, or otherwise; and whether the same be deposited to the individual credit of the officer or person signing or countersigning or to the individual credit of any other officer or person or otherwise. (b) The net proceeds of the Bonds allocable to the Project and to the costs of issuance of the Bonds shall be deposited to the credit of the Project Fund or, at the direction of the Director of Finance, to such other City account or fund as may be appropriate. The City shall pay the costs of issuing the Bonds, to the extent not previously paid, and the costs of the Project out of the Project Fund, or such other appropriate fund to which such proceeds shall have been deposited.

(c) The amount, if any, received as a good-faith deposit with respect to the Bonds shall be applied in the same manner as described in Paragraph (b) of this Section 12.

SECTION 13. Cost and Realistic Useful Life.

The cost of the Project is at least equal to the principal amount of the Bonds and it is estimated that its useful life extends from the date of adoption of this Resolution to at least the final maturity date of the Bonds. Therefore, the maturities of the Bonds are in accordance with Section 602 of the Debt Act.

The cost of refunding the Notes is \$15,000,000 plus accrued interest and the useful lives of the projects underlying the Notes expire no earlier than September 1, 2014. There are hereby assigned to the refunding of the Notes, Bonds in the amounts and maturing on such dates not later than the date stated above, as will be sufficient to refund the Notes.

SECTION 14. Internal Revenue Code Covenants.

(a) General. The City hereby covenants with the Registered Owners, from time to time, of the Bonds that no part of the proceeds of the Bonds will be used, at any time, directly or indirectly, in a manner which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and the Regulations thereunder proposed or in effect at the time of such use and applicable to the Bonds, and that it will comply with the requirements of that section and the Regulations throughout the term of the Bonds.

(b) Rebate. The City covenants that it will rebate to the United States Treasury, at the times, in the manner and to the extent required by the Code, all investment income derived from investing the proceeds of the Bonds in an amount which exceeds the amount which would have been derived from the investment of the proceeds of the Bonds at a yield not in excess of the yield on the Bonds.

(c) Filing. The City will file IRS Form 8038-G and any other forms or information required by the Code to be filed in order to permit the interest on the Bonds to be excluded from gross income tax for federal income tax purposes.

SECTION 15. Advertising.

The action of the officers of the City in advertising a summary of this Resolution, as required by law, is ratified and confirmed. The officers of the City or any of them, are authorized and directed to advertise a notice of adoption of this Resolution in a newspaper of general circulation in the City within fifteen (15) days after final adoption. The City Clerk is hereby directed to make a copy of this Resolution available for inspection by any citizen during normal office hours.

[REVERSE SIDE OF BOND]

This Bond is one of a duly authorized issue of \$37,000,000, principal amount, General Obligation Bonds, Series of 1994A (the "Bonds") of the City which have been issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as amended (the "Act"), without the assent of the electors, pursuant to a resolution (the "Resolution") of the City Council of the City adopted on August 3, 1994. The Bonds have been issued for the purpose of obtaining funds to pay the costs of a capital project and a refunding of the City's General Obligation Notes, Series of 1994, outstanding in the aggregate principal amount of \$15,000,000.

Interest payable on any interest payment date will be paid to the person in whose name this Bond is registered (the "Record Owner") at the close of business on February 15 or August 15 (the "Regular Record Date") immediately preceding the relevant interest payment date. Any such interest which is not deposited with the Paying Agent on or before any such interest payment date for payment to the Record Owner on the Regular Record Date shall forthwith cease to be payable to the Record Owner on the Regular Record Date, and shall be paid to the person in whose name this Bond is registered on a special record date for the payment of such defaulted interest to be fixed by the Paying Agent, notice of which shall be given to all registered owners not less than ten (10) days prior to such special record date.

The Bonds are subject to redemption prior to maturity as follows:

Optional Redemption. The Bonds maturing on or after September 1, 2005 shall be subject to redemption prior to maturity at the option of the City, in whole or in part, in such order of maturity as is selected by the City, and within maturity by lot, on September 1, 2004, or on any date thereafter at the redemption prices set forth in the table below:

<u>Redemption Period</u> <u>(Dates Inclusive)</u>	<u>Redemption Price</u>
September 1, 2004 and thereafter	100%

If less than all Bonds maturing on any one date are to be redeemed at any time, the Bonds to be called for redemption at such time shall be chosen by the Paying Agent, by lot.

Notice of redemption of any Bond shall be given to the registered owner of such Bond by first class mail, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, in the manner and upon the terms and conditions set forth in the Resolution. A portion of a Bond of a denomination larger than \$5,000 may be redeemed, and in such case, upon the surrender of such Bond, there shall be issued to the registered owner thereof, without charge therefor, a Bond or Bonds for the unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Resolution.

If notice of redemption shall have been duly given, the Bonds or portions thereof specified in that notice shall become due and payable at the applicable redemption price on the redemption date designated in that notice, and if, on that redemption date, moneys are deposited with the Sinking Fund Depositary and transferred to the Paying Agent for the payment of the redemption price of the Bonds to be redeemed, together with interest to the redemption date, then from and after the redemption date, interest on such Bonds shall cease to accrue.

The City, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Paying Agent to use such numbers in notices of redemption and other notices, if any, as a convenience to the registered owners of the Bonds. No representation is made by the City as to the accuracy of such numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the identification number printed hereon.

This Bond may be transferred or exchanged only on the Bond Register (the "Bond Register") maintained by the City at the office of the Paying Agent upon surrender hereof by the Registered Owner at such office duly endorsed by, or accompanied by a written instrument of transfer duly executed by, the Registered Owner or his duly authorized agent or legal representative, in each case, in form and with a guaranty of signature satisfactory to the Paying Agent.

No service charge shall be made for any transfer or exchange of any Bond, but the City may require payment of any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The City shall not be required to register the transfer or exchange of any Bond: (a) during the period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) after such Bond has been selected for redemption.

Subject to the provisions of this Bond and of the Resolution relating to payment of interest, the City and the Paying Agent may treat the Registered Owner of this Bond as the absolute owner hereof, for all purposes, whether or not this Bond shall be overdue, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based hereon or on the Resolution against any member, officer or employee, past, present or future, of the City or of any successor body, as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the issuance of this Bond.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the City to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the City is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania and applicable to the City; and that the City has established with the Sinking Fund Depositary a sinking fund for the Bonds and has agreed to deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable.

This Bond is hereby declared to be a general obligation of the City. The City, in the Resolution authorizing the issuance of the Bonds, has covenanted with the registered owners, from time to time, of the Bonds that the City will include the amount of the debt service charges on the Bonds for each fiscal year in which such sums are payable, in its budget for that year, that it will appropriate such amounts to the payment of such debt service, and will duly and punctually pay or cause to be paid the principal of every Bond, and the interest thereon, on the dates and at the places and in the manner stated in the Bonds, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City has pledged its full faith, credit and taxing power. No. 671. Providing for the Tolling of the Deadline for Reviewing the Rate Filings of TCI of Pennsylvania, Inc. for Basic Service, Installation and Equipment and Extending

the Deadline to December 21, 1994.

Whereas, TCI of Pennsylvania, Inc. filed a request for the City's approval of its rates for basic service, installation and equipment (Form 393) on December 1, 1993; and

Whereas, the City extended the period provided for its review of the Form 393 pursuant to regulations of the Federal Communications Commission to March 31, 1994; and

Whereas, in view of the FCC's announced intention to revise the regulations pertaining to rates for basic service, installation and equipment, the City and TCI of Pennsylvania, Inc. agreed, by letter of March 28, 1994, that, inter alia, the City would suspend its review of the Form 393 and would resume its proceedings for the purpose of considering both the Form 393 and any subsequent rate filing made in connection with the FCC's revised regulations; and

Whereas, the parties further agreed that the City's decision with respect to the Form 393 would be timely if issued on or before the date on which the City is required by the FCC's regulations to rule on the subsequent request; and

Whereas, on August 15, 1994, TCI of Pennsylvania, Inc. filed, pursuant to the FCC's revised regulations, FCC Forms 1200, 1205 and 1215 but stated that, because of certain errors, it would be filing corrected FCC Forms

Whereas, on August 23, 1994, TCI of Pennsylvania, Inc. filed amended FCC Forms 393, 1200, 1205 and 1215; and

Whereas, the FCC's regulations establish a 30-day review period which can be extended for an additional 90 days if the City is unable to determine during the initial 30-day period, based upon the material submitted by the cable operator, that a rate filing conforms with the FCC's standards; and

Whereas, the City determines that it is unable to determine by September 22, 1994, based upon the material submitted by TCI of Pennsylvania, Inc., that the rate filings under FCC Forms 393, 1200, 1205 and 1215 conform with the FCC's standards and that the City seeks to request and/or consider additional information and to consider the comments of interested parties; and

Now Therefore, be it resolved that this Honorable Council for the City of Pittsburgh determines that the thirty-day deadline established for the completion of the City's review of the rates for basic service, installation and equipment of TCI of Pennsylvania, Inc. under FCC Forms 393, 1200, 1205 and 1215 is hereby tolled, and

No. 842. RESOLUTION approving a conditional use exception under Section 993.01(a)A(9) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter 993, to Carnegie Mellon University for authorization to construct a four-story-and-basement research building known as George A. Roberts Hall (Electronic Materials Technology Building) with laboratories, offices, and a multi-purpose conference room to be located between Hamerschlag Hall and Boundary Street on the campus of Carnegie Mellon University at 5000 Forbes Avenue on property zoned "I-C" Institutional Civic-District, 14th Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the conditional use application for the proposed George A. Roberts Hall located on the campus of Carnegie Mellon

University at 5000 Forbes Avenue;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended approval of this application for conditional use; and

WHEREAS, City Council has reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Pittsburgh as follows: Section 1. Upon a review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed George A. Roberts Hall located on the campus of Carnegie Mellon University at 5000 Forbes Avenue has properly met the Standards as provided in the Pittsburgh Code, Section 993.01(a)(D), and none of the following findings was made:

- A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and
- B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and
- C. That the establishment of the proposed use will

impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and

- D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and
- E. That adequate measures have not been or will not be taken to provide ingress and egress designated so as to minimize traffic congestion in the public streets; and
- F. That the proposed use will not, in all other respects, conform to the applicable regulations of the district in which it is located.

Section 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

- A. The establishment, maintenance, location and operation of the proposed use will not be detrimental to or endanger the public health, safety, comfort or general welfare. The proposed facility is on a site immediately adjacent to University uses with similar functions and does not abut other properties which may be sensitive to such a use.
- B. The proposed facility will not be injurious to the use and enjoyment of property in the immediate vicinity. The design of the new structure has appropriately addressed impacts on adjacent

properties through appropriate landscaping and an architectural design which is generally compatible with the surrounding structures.

- C. The proposal will not affect the orderly development of the surrounding property. The property upon which the proposed building will be built is currently vacant and abuts a railroad and underutilized property.
- D. Utilities and other facilities have been found to have adequate capacity for the proposed project.
- E. Vehicular egress and ingress for this project do not represent a substantial increase over the volumes which currently exist during the peak hours. Off-peak traffic generated by the facility will not generate unacceptable traffic congestion. The traffic study has determined that the project, with the proposed mitigation and future mitigation to be carried out by the City in conjunction with the applicant, will not negatively impact traffic congestion in the area.
- F. In all other respects, the proposed facility does conform to all other applicable regulations of the IC district which permits an educational facility as a conditional use.

Section 3. Under the provisions of Section 993.01(a)A(9) of the Pittsburgh Code, approval is

hereby granted to Carnegie Mellon University for authorization to construct a four-story-and-basement research building known as George A. Roberts Hall (Electronic Materials Technology Building) with laboratories, offices, and a multi-purpose conference room to be located between Hamerschlag Hall and Boundary Street on the campus of Carnegie Mellon University at 5000 Forbes Avenue, on property zoned "I-C" Institutional-Civic District, 14th Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 641 and accompanying drawing filed by Payette Associates Architects, and supporting documentation filed by Carnegie Mellon University and Wilbur Smith Associates, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated herein by reference thereto, with the following conditions to be fulfilled prior to the issuance of a Certificate of Occupancy:

- A. That the University provide, at their cost, appropriate mitigation to address traffic congestion at intersections identified in the traffic study by Wilbur Smith Associates and for intersections identified in further discussions with the City, according to the level of impact which the University traffic impacts these intersections.

B. That a final landscaping plan addressing, to the greatest extent possible, restoration of the natural slope, signage and lighting plans be reviewed and approved by City

Planning staff.

C. That the University work with Planning staff to address the parking issue in Panther Hollow.

City of Pittsburgh, Pennsylvania, County of Allegheny, Commonwealth of Pennsylvania (the "City"), for value received, and intending to be legally bound, promises to pay to the Registered Owner named above (the "Registered Owner") the principal amount of _____ Dollars (\$ _____) on the Maturity Date (stated above), or earlier redemption, together with interest thereon plus a Prepayment Premium, if applicable, as follows:

Interest Rates.

(a) Interest Rate. Until the Maturity Date, or earlier

(b) Interest After Maturity or Default. After the principal amount of any part of this Series of 1995 Note shall have become due (by demand or otherwise) or after an Event of Default (as defined in the Note Purchase Agreement dated December 6, 1994), this Series of 1995 Note shall bear interest for each day until paid (before and after judgment) at a fluctuating rate per annum (computed on the basis of a year of 365 days for actual number of days elapsed) which shall be two (2%) percent above the Prime Rate.

(c) New Taxes, Reserve Requirements. If any law or regulation, or the interpretation or application thereof by any court or by any governmental authority charged with the administration thereof, or the compliance with any guideline or request from any governmental authority (whether or not having the force of law) shall: (i) subject the Registered Owner to payment of any tax in respect of, or changes the basis of taxation with respect to, payments by the City of principal, interest or other amounts due from the City on this Series of 1995 Note (except for taxes on the overall net income of the Registered Owner); (ii)

The City shall pay such amount to the Registered Owner within ten (10) Business Days after the City's receipt of such notice.

(d) Tax Gross-up; Acceleration. If at any time, either before or after the payment of the entire principal of and interest on this Series of 1995 Note, there should be a Final Determination (as hereinafter defined) that the interest on this Series of 1995 Note is includable in the gross income of the Registered

Owner for any reason under the provisions of the Internal Revenue Code of 1986, as amended, and the regulations thereunder as then in effect, then the Registered Owner may declare the entire unpaid principal amount of this Note and accrued interest thereon immediately due and payable or, at the option of the Registered Owner, the rate of interest on this Note shall be adjusted upward to a fluctuating rate per annum (computed on the basis of a year of 365 days for actual number of days elapsed) (the "Alternate Rate") which shall be equal at all times to the Prime Rate (as hereinafter defined), such interest rate to be adjusted daily with such adjustment to be effective on the date of such change in the Prime Rate. Within ten (10) days after notice of such Final Determination to the City, any additional interest due on account of the unpaid principal balance from time to time outstanding prior to such Final Determination calculated at the Alternate Rate and an amount equal to all interest and penalties payable by the Registered Owner by reason of having excluded any such interest from its gross income shall be paid to the Registered Owner hereof by the City, and all installments due thereafter, if any, shall be increased so as to include interest at the Alternate Rate. The obligation of the City to make such payments shall survive the payment and satisfaction of this Note.

The Registered Owner shall have no obligation to

contest or appeal any assertion or decision that interest on this Series of 1995 Note is taxable, but the Registered Owner shall give to the City written notice of any such assertion or decision that interest on this Series of 1995 Note is taxable, and upon request by the City, the Registered Owner shall prosecute any administrative remedies or judicial proceedings available to the Registered Owner, provided that such action shall be at City's expense and direction.

(e) Maximum Rate of Interest; Interest Rate Set by Law. In no event shall the rates of interest provided in subsections (a), (b), (c) or (d) above exceed twelve percent (12%) per annum. In the event the rates of interest provided for in subsections (a), (b), (c) or (d) above are finally determined by any official body to exceed the maximum rate of interest permitted by any applicable usury or similar laws, their or its application shall be suspended and there shall be charged instead the maximum rate of interest permitted by such laws. If any payment of interest or in the nature of interest would cause the foregoing interest rate limitation to be exceeded, then such excess payment will be credited as a payment of principal, unless the City notifies the Registered Owner in writing to return the excess payment to the City.

The principal of and interest on this Series of 1995 Note are payable in immediately available funds

Tax and Revenue Anticipation Notes, Series of 1995 (the "Series of 1995 Notes") of the City which have been issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as amended (the "Debt Act"), pursuant to a resolution (the "Resolution") of the City Council of the City adopted on December 6, 1994. This Series of 1995 Note evidences a line of credit as set forth in the Proposal (as defined in the Resolution) and is subject to the terms and provisions thereof.

This Series of 1995 Note is issued under and in accordance with the Act, for the purpose of providing funds for current expenses payable in the current fiscal year in anticipation of the receipt of taxes and other current revenues of the City from the date of original delivery of the Series of 1995 Note to the stated maturity date thereof.

This Series of 1995 Note shall be equally and ratably secured with all other Series of 1995 Notes issued under the Resolution by the pledge of, security interest in and a lien and charge on the specified taxes and other current revenues of the City to be received during the period when the Series of 1995 Notes are outstanding; and for such purpose and to secure the payment of the indebtedness evidenced hereby and the interest thereon, the City hereby pledges to the holder hereof and grants to said holder a security interest in and lien and charge on its taxes and other

revenues to be received during the period when this Series of 1995 Note is outstanding. Such pledge, security interest, lien and charge have been perfected and are enforceable in the manner provided by the Act. The Series of 1995 Notes are general obligations of the City.

Optional Redemption. This Series of 1995 Note is subject to optional redemption prior to maturity at any time, in whole or in part, at a redemption price equal to one hundred percent (100%) of the aggregate principal amount hereof and unpaid accrued interest plus a Prepayment Premium, if applicable (the "Redemption Price"). If less than all Series of 1995 Notes are to be redeemed at any time, the Series of 1995 Notes to be called for redemption at such time shall be pro rata.

Prepayment Premium. In the event that this Series of 1995 Note is paid, prepaid or redeemed for any reason on any date other than the last day of the applicable Libor Rate Interest Period, the City shall pay to each Bank on demand a Prepayment Premium. For purposes hereof, the "Prepayment Premium" means an amount equal to the present value, if positive, of the product of (a) the difference between (i) the yield, on the beginning date of the Libor Rate Interest Period, of a U.S. Treasury obligation with a maturity similar to the Libor Rate Interest Period minus (ii) the yield on the prepayment date, of a U.S. Treasury obligation with a

maturity similar to the remaining maturity of the Libor Rate Interest Period, and (b) the principal amount to be prepaid, and (c) the number of years, including fractional years, from the prepayment date to the end of the Libor Rate Interest Period. The yield on any U.S. Treasury obligation shall be determined by reference to Federal Reserve Statistical Release II.15(519) "Selected Interest Rates". For purposes of making present value calculations, the yield to maturity of a similar maturity U.S. Treasury obligation on the prepayment date shall be deemed the discount rate.

Notice of any redemption shall be given by telefax and confirmed by mailing a notice of redemption by first class mail, postage prepaid, not less than ten (10) days prior to the redemption date to the Registered Owners of Series of 1995 Notes to be redeemed at the addresses which appear in the Note Register, provided, however, neither failure to telefax or mail such notice nor any defect in the notice so telefaxed or mailed or in the mailing thereof with respect to any one Series of 1995 Note shall affect the validity of the proceedings for the redemption of any other Series of 1995 Note; provided further, however, if at the time of giving of such notice of redemption there shall not have been deposited with the Sinking Fund Depositary moneys sufficient to redeem all Series of 1995 Notes or portions thereof called for redemption, such notice may

state that it is conditional, that is, subject to the deposit of the redemption moneys with the Sinking Fund Depositary not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited. If the City shall have duly given notice of redemption and shall have deposited with the Sinking Fund Depositary funds for the payment of the Redemption Price of the Series of 1995 Notes so called for redemption, interest on such Series of 1995 Notes shall cease to accrue after such redemption date.

A portion of a Series of 1995 Notes in a minimum denomination of \$1,000,000 may be redeemed, and in such case, upon the surrender of such Series of 1995 Notes, there shall be issued to the Registered Owner thereof, without charge therefor, a Series of 1995 Note for the unredeemed balance of the principal amount of such Series of 1995 Notes, all as more fully set forth in the Resolution.

"Libor Rate Interest Period" shall mean, with respect to the initial Libor Rate Interest Period, a period commencing on the date the Series of 1995 Notes are issued and continuing for one month ending on the thirtieth (30th) day after the Series of 1995 Notes are issued and, with respect to each subsequent Libor Rate Interest Period, a period commencing on the first day immediately following the last day of the immediately preceding Libor Rate Interest Period and continuing for one month.

"Libor Rate" shall mean, for any Libor Rate Interest Period, an interest rate per annum (based upon a year of 360 days and actual days elapsed) (rounded upwards to the next higher whole multiple of 1/16% if such rate is not such a multiple) equal at all times during such Libor Rate Interest Period to: (i) the quotient of (a) the rate per annum (rounded upwards to the next higher whole multiple of 1/16% if such rate is not such a multiple) at which deposits in United States dollars are offered at 11:00

WHEREAS, on or about December 1, 1993, the City received TCI's Form 393 (the "Initial Request"), which filing is attached and made a part of this resolution as Exhibit A; and

WHEREAS, the City conducted a meeting open to the public on February 22, 1994, to ensure that all interested parties had ample opportunity to present information to the City; and

WHEREAS, the City conducted a meeting open to the public on October 20, 1994 to ensure that all

WHEREAS, based upon the City's review of the foregoing and all reports and advice from Consultant, the City has determined to make the below listed Findings and Conclusions and Orders for Action.

NOW, THEREFORE, be it resolved by the Council of the City of Pittsburgh as follows:

FINDINGS AND CONCLUSIONS

1. The Initial Request incorrectly calculated the maximum permitted charges for certain equipment and installation services. The Initial Request specifically:

a. Failed, in calculating the Hourly Service Charge on which installation and repair charges are based, to include contract labor hours in addition to the hours worked by TCI employees.

b. Incorrectly allocated to the Pittsburgh system 20%,

rather than 9.98%, of TCI's technical salaries for installation and maintenance.

c. Allocated to Pittsburgh subscribers TCI's capital investment for leased customer equipment using a formula based on numbers of subscribers rather than numbers of converters leased to subscribers.

2. TCI acknowledged the errors contained in the Initial Request by filing a corrected Form 393 on or about August 22, 1994.

3. Judged in accordance with the standards adopted by the FCC, the rates set forth in the Second Request are "reasonable".

4. TCI, despite the City's oral and written requests, has refused to provide information supporting the rate increase requested in the Form 1210.

5. TCI, despite the City's oral and written requests, has refused to provide information concerning its bulk and commercial rates.

ORDERS FOR ACTION

Based on the foregoing findings and conclusions, the City hereby enters the following orders:

1. The Initial Request is hereby rejected, and TCI is ordered to:

a. Implement prospectively, in accordance with the procedures specified by the FCC's regulations, the equipment and installation

rates reflected in the corrected Form 393 submitted to the City by TCI on or about August 22, 1994.

b. Provide within thirty (30) days of the date of this resolution a report showing, by rate element, the amount by which the aggregate charges it imposed after September 1, 1993, for such rate element exceeded the maximum permitted rates.

c. Refund to subscribers the total amount reflected in the report supplied pursuant to Recommendation 2, above, together with applicable interest and franchise fees, and to report to the City on the timing and manner in which such refunds have been accomplished.

2. The Director of the Department of General Services is hereby ordered, promptly upon receiving the TCI report contemplated by paragraph 1.b hereof, to refund to TCI or credit to TCI's future franchise fee payments, all franchise fees previously collected on the sums refunded to subscribers pursuant to this order.

3. With respect to the Second Request, the rates set forth in TCI's Form 1200 are hereby approved.

4. The rate increase reflected in the Form 1210 is hereby denied.

5. The Mayor is directed to order TCI, within sixty (60) days of the date of this Resolution, to provide the following information concerning its bulk and commercial rates:

a. Rate schedule(s) for TCI's bulk service and commercial service;

b. The numbers of bulk and commercial customers on standard rates and negotiated rates, respectively;

c. The number of outlets for bulk and commercial customers;

d. A list of contracts for bulk and commercial customers that deviate from the rate schedules referenced in Order 5.a and, with respect to each, a description of the basis for the deviation.

e. Provide a demonstration of the economic benefit that TCI receives from providing each bulk rate discount. No. 21. AN ORDINANCE SUPPLEMENTING the Pittsburgh Code, Title Six-Conduct, Article I, Regulated Rights and Actions, by adding Chapter 602 - Minors.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. The Council finds that:

(a) An emergency has been created by a substantial increase in the number and in the seriousness of crimes committed by minors against persons and property within the City, including juvenile violence and juvenile gang activity, and this has created a menace to the preservation of public peace, safety, health, morals and welfare.

(b) Large numbers of minors fail to attend public and private schools each day for reasons not recognized as lawful under the Public School Code. The increase in crimes has been caused in part by the large number of minors who do not attend school during the time periods in which attendance is required.

(c) Minors are particularly susceptible by their lack of maturity and experience to participate in unlawful and

gang-related activities and to be victims of older perpetrators of crime.

(d) The City intends to provide for the protection of minors from each other and from other persons, for the protection of the general public, and for the reduction of and incidence of juvenile criminal activities.

(e) The problem can be reduced by regulating the hours during which persons may remain in public streets without adult supervision.

A. Development which connects its stormwater collection system to the City sewer system, which drains to the East Street Valley and therefore out of the Girty's Run Watershed, is in compliance with the requirements of this section provided sufficient capacity exists in the City sewer system to transit the

increased flows without adversely affecting health, property or the system; and provided any increase in runoff resulting from the development is captured by the collection system; and provided the collection system is designed to collect and convey to the City's system the design flows (volumes and rates) computed in accordance with the Watershed Plan's parameters for design storms and runoff calculations and demonstrated on a stormwater management plan. Development is encouraged to minimize the provision of impervious surface in order to maximize infiltration and reduce runoff.

B. Development which results in less than 5,000 square feet of impervious surface need not submit a stormwater management plan provided no downstream properties or watercourses are adversely affected by increased runoff or sedimentation.

C. Pre-development and post-development peak runoff rates and volumes must be calculated for the 2, 5, 10, 50, and 100 year storm frequencies. Either the SCS Type II or the PDT region I storm distributions may be used for analyzing stormwater runoff, but the same storm distribution shall be used for analyzing both pre- and post-development conditions.

D. For purposes of computing

peak flow rates and runoff hydrographs from development sites, calculations shall be performed using one of the following: SCS publications, Technical Release (TR) 55 or 20, or the Penn State Runoff Model (PSRM). The Rational Method may be utilized for development sites of 20 acres or less and must be utilized for the purposes of designing storm sewers, open swales and other stormwater runoff collection and conveyance facilities.

- E. The release rate percentages are: Subarea 26 west of Cerise Street 70% (2, 5, 10 year storms) 55% (50, 100 year storms) Subarea 27 east of Cerise Street 55% (2, 5, 10 year storms) 100% (50, 100 year storms)

- F. As an alternative to compliance with the specified release rate percentages, a developer may submit an analysis by a registered engineer with expertise in hydrology and hydraulics which demonstrates that reasonable options exist to protect downstream areas from harmful storm runoff impacts. This analysis shall be in accord with the procedure specified in the plan.

The City Council further finds that over ninety (90) percent of the amusement tax collections in the City come from just fourteen (14) amusement tax collections each of whom represent over \$1,000,000.00 in gross admissions annually.

The City Council further finds that patrons of the City's amusement attractions should reap the benefit of the General Assembly's mandated cut in the City's Amusement Tax.

In the interest of fair and competitive pricing of admissions to amusements in the City, it is important that consumers are advised of the portion of the purchase price of the ticket which

will be paid to the City as an Amusement Tax.
